

Course Self Evaluation

Name (optional): _____

Date: _____

Based upon the course objectives, please rate the following:

	Objective	Achieved	Partially Achieved	Not Achieved
1	I have a better understanding of using a strength based approach of intentional and responsive teaching practices.			
2	In this course, I participated in reading and activities that helped me to learn about how infants and toddlers develop and learn.			
3	I used the knowledge gained in #2 to plan appropriate Supportive Learning Experiences for infants and toddlers.			
3	I used reflection and reading in this course to help me to identify the characteristics of high quality infant and toddler interactions, environments, and learning experiences.			
4	I have a greater ability to plan developmentally appropriate learning experiences as informed by the child's age and individual needs.			
5	I am able to select developmentally appropriate learning experiences based upon child observation.			
6	I have an increased knowledge of the continuum or link between the ELG for Infants and Toddlers and the ELG for Preschool.
