

Semester Essay: Have it Your Way!

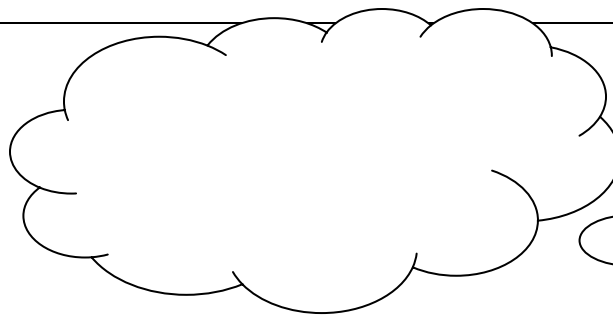

THE TASK: Mini Research Paper: please choose a focusing topic, concept or question that you can investigate. Possible foci include: events, people, nations, policies and ideologies. This is your chance to dig deeper into one of your own interests: something you want to better understand and about which you have something to say !

Your focus has to be based on the course topics & themes and somehow include ideology. Other than that, you can have it your way.

SUPPOSED TO's – for everyone

1. Min. 6 pp. not including title page, references and graphics
2. Essay needs an appropriate academic title
3. Includes accurate & complete in-text citations and references in APA format
4. Must address the concept of ideology and its functions
5. Use at least 6 sources
6. One source must be from a peer's work
7. It must use work you've already done: journals, etc.
8. Hand in at least 2 rough drafts to me for feedback
9. Must include critical thinking, interpretations etc. -- not just a series of factoids
10. You must tell and show –in depth

When are the due dates?

You will create your own grading rubric table based on this model!

expectation	exceeds	meets	Partially meets	Insufficient to evaluate

Seeing writing as: problem-solving, constructing & decision-making *PROCESSES*...
