

Listening and Comprehending

Discuss how you might use one of the strategies below to support listening and/or comprehensions skills around one of the strands found in the Reading Standards or Speaking and Listening Standards in the Massachusetts Curriculum Frameworks for English Language Art and Literacy (January 2011).

-Development of vocabulary

-Questioning

-Active listening

-Linguistic scaffolding

-Mediation

-Conflict resolution

-Increasing wait time

-Applying SIOP

Describe in detail how you will apply the strategy to increase children's listening or comprehensions skills.

Provide examples of what you might say and do.

Describe what you will observe for in the child's behavior that demonstrates he/she is listening or comprehending.
