

Please note that you need to determine the mean and median salaries for all MLB players for the page 3 printout using the AllMLBPlayer2007.xls Excel file.

Given the size of the data set, select and print out only the payroll data the last team in the file along with the summary mean and median payroll values for all MLB players.

1. Armando Benitez	9866219	Florida	Marlins
2. Miguel Cabrera	7400000
